

Warsaw, 28 May 2018 – Visit of the delegation from China

On 28 May 2018, the Chief Labour Inspectorate in Warsaw hosted the representatives of the Hubei Provincial Safety Production Supervision Authority in the People's Republic of China. The Chinese delegation was led by the Director General, Mr Tangyin Guo. During the meeting, the National Labour Inspectorate was represented by: Mr Wiesław Łyszczek, Chief Labour Inspector, Mr Bogdan Drzastwa, Deputy Chief Labour Inspector and the directors of the departments at the Chief Labour Inspectorate.

The aim of the visit was to present the tasks and the organizational structure of the inspection services in Poland. Upon the guests' request, the Polish party discussed the regulations on the supervision and the safety administration of production in Poland, including the provisions concerning the handling of hazardous substances. Moreover, the representatives of the National Labour Inspectorate presented tools used to perform preventive tasks in four areas: first preventive inspection, preventive campaigns, permanent preventive activities and publications.
