Organisational structure:

The Labour Inspectorate of Estonia is a government agency under the Ministry of Social Affairs. It is led by the Director General and the Deputy Director General. The Labour Inspectorate's structure includes General Department, Department of Prevention, Supervisory Department, Department of Information and Foreign Relations, Labour Dispute Committee and Finance Department.

Areas of activity:

The main tasks of the Labour Inspectorate comprise implementation of work environment policy, national supervision of requirements of legal acts regulating health and safety at work and labour relations in the work environment, notification of the general public, employees and employers about hazards in the work environment, and resolution of individual labour disputes.

Our cooperation:

The National Labour Inspectorate and the Labour Inspectorate of Estonia maintain cooperation in areas defined in the Agreement on bilateral cooperation and information exchange, i.e. in cases involving the posting of workers in the framework of the provision of services in compliance with Directive 96/71/EC and Directive 2014/67/EU.

Information on the posting of workers in the framework of the provision of services is exchanged between the liaison institutions via the Internal Market Information (IMI) System.

Agreement:

Agreement on bilateral cooperation and information exchange concluded in Wrocław on 11 April 2017 between the National Labour Inspectorate of the Republic of Poland and the Labour Inspectorate of the Republic of Estonia
